Instructions for C-8043

Statutory Exemption Schedule

Purpose: To compute the allowable statutory exemption.

① **Note:** For most filers, the statutory exemption is available only if business income is less than \$67,500. For most corporations, the statutory exemption is available only if the sum of business income, federal loss carryover and carrybacks and compensation/director's fees of all shareholders is less than \$67,500.

For purposes of computing the statutory exemption and the small business credit, a member of an LLC is treated as a partner if the LLC is taxed as a partnership. For purposes of computing the statutory exemption only, a member of an LLC is treated as a shareholder if the LLC is taxed as a corporation.

The statutory exemption cannot be used to increase a business loss to the next year or to offset adjusted tax base, as determined on line 36 of Form C-8000, *Single Business Tax Annual Return*, before reporting the use of the loss carryovers on Form C-8000, line 37. An unused statutory exemption cannot be carried forward.

The statutory exemption will be reduced by \$2 for each \$1 that line 6 exceeds the amount of the exemption on line 13.
